ALLSTATE Passenger Tire Guarantee

Tread Life Guarantee Against All Failures
Every ALLSTATE tire is guaranteed against all road hazards or defects for the life of the original tread. If tire fails, we will—on our option—repair or without cost, or, in exchange for the tire, we will replace it charging only for tread wear (charge will be a pro-rata share of exchange price).

TREAD WEAR GUARANTEE

We guarantee tread life for the number of months designated. If tread wears out within this period, return it. In exchange, we will replace it charging the current exchange price less a set dollar allowance.
*Exchange Price is regular retail price plus Federal Excise Tax less trade-in at time of return (no trade-in deduction on snow tires).
